ATOMAX DUO

WRAP AROUND CASE PACKER
DOUBLE CASE LOADING

REMOTE ASSISTANCE

ATOMAX DUO is indexing hi speed wrap around case packer. This is a fully automated wrap around case packer providing packaging up to 20 cases per minute by loading 2 cases simultaneously.

By dividing incoming flow of products on two preparing and loading positions and loading two cases at the same time, closing one by one with hot melt, Machinex offers a very optimal and suitable packaging solution.

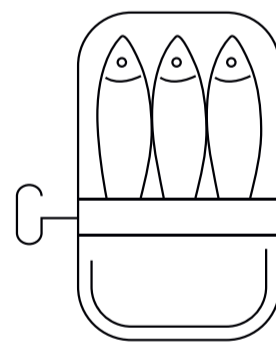

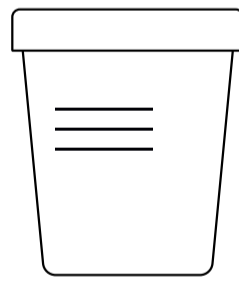

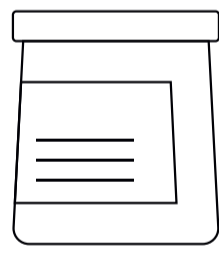

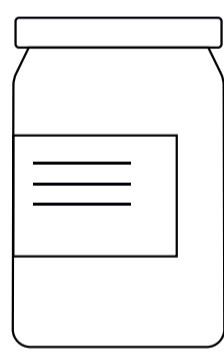

MACHINEX hi-speed wrap around case packers, **ATOMAX DUO**, are designed for demanding working regime in dairy, meat, chemical and other production facilities in 24/7 working hours.

ATOMAX DUO, wrap around system, operates automatically based on electronic controls and installed programs, driven by servo motors to achieve maximum capacity.

Case type: flat preformed cardboard blank.
Case sealing: hot melt.

ATOMAX is indexing motion case packer. Manually adjustable for different case's dimensions in 20 minutes, tool free.

Automatic change over upon request.
